### Campbell Corner Podcast **\*\*New Podcast Launch\*\***

The Campbell Corner podcast is designed to discuss current events, knowledge and interest of various local and national leaders, professionals, and business owners.

Watch our second episode introducing a phenomenal Hollywood actress, Ms. Cindy Luna, [here](#).

Our upcoming guests are:

- Ms. Dierdre Nero, Esq., a highly-esteemed immigration attorney who is an Advocate for the

MacKenzie Bezos (now MacKenzie Scott) announced their plans to divorce via a joint Twitter statement, and many predicted a form of legal warfare in what was expected to be (and, indeed, what ultimately proved to be) the largest divorce settlement in history.

Just a few months later, however, a Washington state court approved that divorce, all without formal litigation that would have dragged their family and businesses (which included Amazon, the Washington Post, and space travel company Blue Origin) through intense scrutiny and upset. The Bezos-Scott divorce, which seemingly proceeded without any real controversy, demonstrated that not all complex and high-stakes divorces need to descend into personal and legal chaos, even where it involves business division. It truly was an amicable divorce.

## Helpful Hints:

- Florida Vaccine Passport Ban: Keep a close eye on the legal challenges to the Florida Business/Customer Vaccine Passport Ban. Though being challenged in the courts, the ban remains in effect.
- OSHA/Biden Admin Vaccine Mandate: OSHA vaccine mandate for employers who have 100 or greater number of employees has been temporarily suspended and therefore compliance with the up-and-coming deadlines is not currently required. However, Florida legislature is gearing up on the subject and is looking to limit employer vaccine mandates. Something to keep a close eye on. OSHA mandate suspension does not apply to healthcare workers or federal contractors

or subcontractors.

- FL Min. Wage Increase: If you have not already heard, effective September 30, 2021, the minimum wage in the State of Florida is \$10.00 per hour and a tipped employee's direct wage is \$6.98 per hour (with the min. being \$10.00 minus the tip credit of \$3.02 per hour).

## Last Podcast:

On November 30, 2021, our Managing Partner, Regina Campbell, Esq., released The Legal Zone's new episode: "Are Cross Border Deals Dead?". This episode covers the basic elements of what every person needs to know regarding the continuance of cross-border deals after the COVID-19 pandemic.

Below are some key reasons why cross border deals are far from being dead:

1. **Reduction of Borders:** The reduction of borders and restructuring after the pandemic (e.g., flow of travelers between the U.S. and other countries).
2. **Unlatching of Country Policies:** Some countries are loosening up policies as vaccination rates increase.
3. **Talent Acquisition:** Locating talent from varying areas of the globe (e.g., talent may be filled by voids existing in other countries or countries with a more stable workforce).
4. **Company Consolidation:** Companies may look for subsidiaries that complement their global enterprise or company located domestically in the U.S.
